CHRISTABEL

PHOTOGRAPHED BY DONALD MILNE

'Are you sure you've got enough shots of my bottom?' 20-year-old Christabel Jarvis asks matter of factly, 'I think it's probably my best feature, don't you agree?' It's a hard choice to make. Oxford-born Christabel with her statuesque 38-24-37 figure, and five feet eleven inch frame is literally head and shoulders above most girls. 'I've always been tall,' she says, when I was nine I was already over five foot, and taller than my form teacher. At one time I was very self-conscious of being so tall. Nowadays I am quite happy towering over people.'

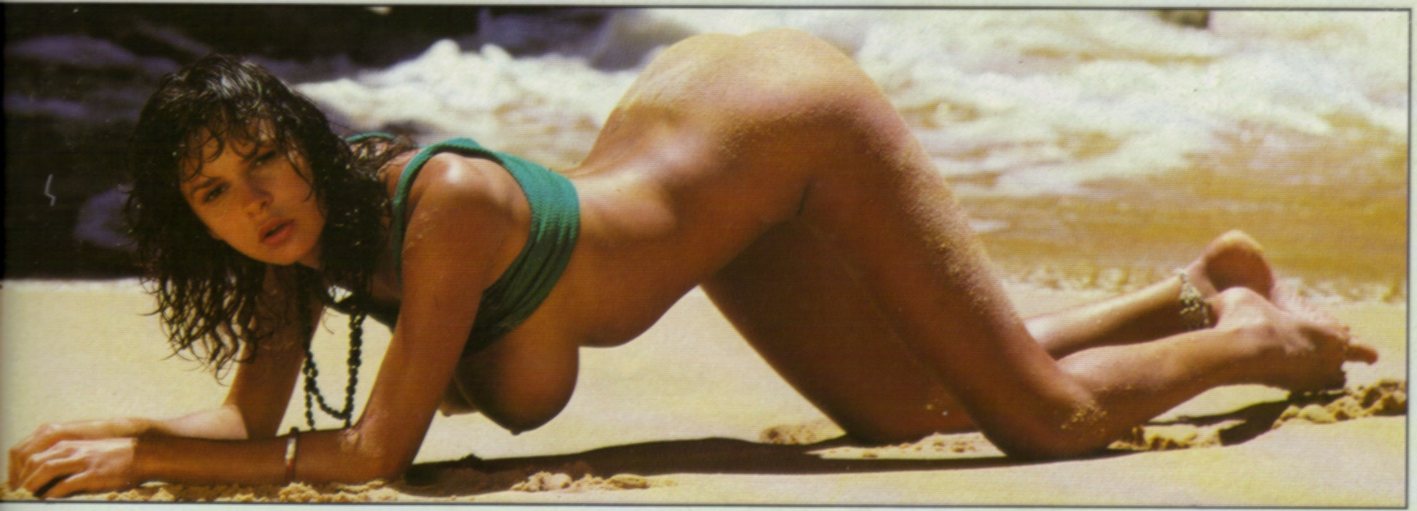
THE NEW PAGE 3 STAR

DONNA EWIN

PHOTOGRAPHED BY BASIL CRAWFORD SMITH

Donna Ewin has the most beautiful body — and that's official. For the 19-year-old from the East End of London has recently won the 1989 Miss Body Beautiful Competition, and since then her modelling career has really taken off. Although she's been appearing on Page Three for little more than a year, her spectacular 34DD-24-36 figure has already made her one of the favourites in the tabloid newspapers. 'She's got better curves than Brooklands,' commented one appreciative reader when he wrote to us requesting her *Mayfair* debut. What he might like to know is that three years ago Donna was straighter than the Mulsanne! 'I was flat as a pancake until I was 16,' she has said, but at five feet nine inches tall, she's head and shoulders above most of Page Three's posers. So tall in fact, that Donna set out to become a fashion model.

Donna's decision to take off clothes rather than show them off has already led to a great deal of exciting foreign travel. She has been shot for calendars all over the world, including one extremely eventful session in East Africa. 'I was chased by wild boars,' she recalled, and she didn't mean the tabloid press's famous lensmen. Fortunately she managed to save her bacon, and escape from the male chauvinist pigs before they reached our piece of crackling. It's a good job she wasn't a little rasher!



With work for Page Three and other modelling commitments, Donna doesn't get a lot of time to herself. However she does enjoy horse-riding and ice skating whenever she can. Recently she has bought a bike to beat the ever-increasing problem of London's traffic, and if that doesn't keep her fit enough, she's also a regular at her weight training centre. In more relaxed mood, Donna says she wants to learn to play the guitar. She's also fond of messing around in boats. One recent holiday (a rare event in the life of Miss Ewin) saw her sailing around the Aegean. Budding astrologers, on the other hand, might like to know Donna's a Gemini, born on June 4. But, in this case, we're sad to say she has no identical twin.

BELINDA

PHOTOGRAPHED BY JOHN GRAHAM

'I know it's a cliché,' says 22-year-old Belinda Rose, 'but schooldays really were the happiest days of my life.' School for Belinda — or Big Linda as she is known — was not a big modern comprehensive, but rather an exclusive private school in the Home Counties. 'I suppose, I was a bit of a rebel — always leading dorm raids, and ragging some of the younger kids, but I really enjoyed it. I suppose in some ways I may be a bit of a disappointment to the staff. Many old girls are professional women — lawyers, broadcasters, and captainesses of industry. You know the sort of thing. But, although I did quite well in my 'O' levels, I unfortunately discovered the joys of boys before I sat my 'A's. I'm one of those of whom the staff always say, ''Never quite did herself justice in the exams.''' Although she lost her appetite for academia she's still keen on men.

Belinda's schooldays have always played a major part in her life. It was the result of a dare amongst close friends that she actually appears in our pages at all. 'We had always been exhibitionists — and did anything eye-catching to grab people's attention. Well, one day we vowed to each other that when we reached our twenties, each of us at some time had to pose nude for a magazine. Whether any of my friends have I don't know, but I've certainly kept up my end of the deal,' Belinda laughs. 'I would love to see their faces if they could see me now.'

Despite having a rather wealthy background, Belinda likes to pay her own way in life, and does this by working as a holiday courier in a Swiss ski-resort. 'I live in a rather humble log cabin, and work a six-day week but I love it. Being an avid skier, I get free ski passes, and all the equipment I need. Add to this the great social life, and beautiful surroundings, it makes the low pay and early starts worth it in the end,' says Chichester-born Belinda. When the season ends she'll return to the family home. 'That's if my family will have me after seeing these.'

Debee Ashby

PHOTOGRAPHED BY BARRY JONES

Ever since we featured the delightful Debee Ashby in her *Mayfair* debut back in Vol 22 No 4, we have been inundated with letters asking for the long-overdue return of the popular model. Typical of the enthusiastic letters we received, was one from IM of Derby. 'When can we see the lovely Miss Ashby again? She may not be one of the slimmest models around, but she possesses a charm and sensuality that put most of her rivals in the shade.'

After a request like that how could we refuse, especially as 22-year-old Debee has been away from the modelling scene for nearly a year. 'It was one of the worst periods of my life,' says 36D-25-35 inch Debee. Following a highly publicised liaison with a certain Hollywood filmstar, her weight ballooned to 12 stone. 'I know I'm in this business because I've got big tits and blonde hair, but I've also got a brain, which people forget!'

After a hard day's work, Debee's now content to relax in front of the television with a few friends, and her family pets for company. 'Hardly the raunchy old me,' Debee laughs, 'but I enjoy it.' She hasn't completely dismissed her sexy image though, and still does the occasional phone line. 'I had to laugh, I did one called "Debee's sexy secrets," which were meant to be my intimate confessions full of racy stuff. Supposedly whoever phoned up was meant to eavesdrop on me peeling off my clothes, but the only stripping they heard was me taking the paper off my walls,' she laughs. Although now living in Watford, Debee still takes regular trips home to see her family in Coventry. 'My mum who I'm really close to, still lives there, but most of my friends have now grown up, and moved on. I guess we all change as we get older, so I hope I've put all the bad times behind me, and changed for the better. After all I've got a lot to look forward to now.'

RET

BETTY

PHOTOGRAPHED BY GERTH SERNELIN

'Do you believe in re-incarnation?' asks 23-year old Betty Taylor, fixing you with a look from her smoky grey eyes. 'I do. In a past life I was a handmaiden to the Great Egyptian Queen Hatshepsut; and sailed the Nile in a golden barge, beneath a burnished throne.' Eh, yes. But getting back to the present, what kind of men does 35-22-34 Betty prefer? 'Fool,' she says, with a hint of Egyptian imperiousness, 'in the court of Queen Hatshepsut, we, her elect, had the pick of 1000 willing bondsmen.' Then, as though coming out of a trance, she says: 'Oh I don't like ones with too many muscles, or dark curly hair. Sense of humour is important I always think.'
